

DRAW SLASHER by Mass Creation - straight from PSVITA to test your droids!

Warsaw, Poland. February 17th, 2015 Mass Creation, independent publisher and developer is proud to announce their acclaimed PSVITA game **Draw Slasher** is finally available for Android devices. Check out the best drawing action game for touchscreen devices on *Google Play* and *Amazon Appstore*.

Rather short ninja – Hanzo – heads for a quest to free his family, who were abducted by the Pirate Monkey Zombies™. You just need your finger to help them. Step into the amazing world of Ninjutsu and draw lines to jump, dash, dodge and slash.

YOUR FINGER IS THE ULTIMATE WEAPON!

FEATURES:

- THE ONLY DRAWING BEAT'EM UP for touchscreen devices
- Truly unique controls: no virtual buttons - gameplay is purely about drawing
- Vivid, cartoon and hand drawn visuals, including multiple grotesque creatures
- Story Mode with animated cutscenes, Quick Time Events and a really cool voiceover
- Additional game modes: Endless Arcade (Survival and Gatekeeper) and Challenges for players seeking more demanding drawing/slashing experience
- Various opponents and challenging bosses
- ... and dozens of subtle game and pop culture tributes

Cut, slice, snip, sever, chop, shear and trim hordes of Pirate Monkey Zombies™.
